Firstly bedroom number one which again offers the most AMAZING views above the commercial area and the trees you can see beyond it all! The bedroom offers large mirrored cupboard with ample storage. It also leads to your own personal ensuite bathroom with large stand-up shower and large vanity for storage;

The laundry is also upstairs and is very large compared to most standard unit laundry's. It offers storage and room for your washing machine - no carrying the clothes up and down the stairs!

The second bedroom is generous and offers ample storage and ample natural light.

The second bathroom offers a bath and shower in one and a large vanity; BOTH bedrooms have a roller shutter blind that if you are going out you can shut and lock the cool in - otherwise don't worry and use the ducted air-conditioner upstairs to monitor the temperature.

The downstairs lounge area has a split system air-conditioner however there is also a security screen on the front door meaning you can open it up and enjoy the sea breeze if desired.

The unit comes with 2 parking spaces both secure and under cover and just a short walk to the unit. It also offers a storage room perfect to store bikes or weekend toys!
